### **DISCUSSION QUESTIONS**

1. What part of the teaching stood out most to you? Why?
2. Do you have things in your life that you know need to change but that you don't have the power to change? What are some things you have done to try to change yourself through your own strength or effort?
3. God develops us when we are in relationship with Him. How do you develop your relationship with God? What helps you get closer with God?
4. When we have a relationship with God, He changes the way we view other people and the way we view our possessions. How do you view other people? How do you view your possessions? Have you seen any changes in your views because of your relationship with God?
5. When God purifies His people, it isn't always easy but it is always worth it. Are you in a difficult season right now? Are you able to see how God is using the situation to prune you or is the purpose of your difficulty still unclear to you?
6. Just because God sustains us doesn't mean we won't have scars. Have you ever gone through an experience that left you with scars (emotional, mental, etc.)?
7. In Acts chapter 5, Ananias and Sapphira's sin was hypocrisy. What is hypocrisy? How can we guard against it creeping into our lives and our church?
