### **DISCUSSION QUESTIONS**

1. What part of the teaching stood out most to you? Why?
2. Where do people in our society look for satisfaction? Where do you look for satisfaction?
3. Pastor Ryan quoted Madonna where she spoke of her constant feeling of inadequacy and her desperate need for acceptance. As successful as she's been, it's just not enough. Do you ever feel this strong sense of inadequacy? Do you ever feel like you're just not living up to expectations? How does this sense of inadequacy impact your decisions and your actions? How does Jesus satisfy our need for acceptance?
4. We all fail in our walk with Jesus. When this happens, how do we apply the three points made in this week's teaching?
5. What needs or wants in your life are you willing to let Jesus meet? Are there any needs that you are still trying to meet on your own?
6. Pastor Ryan stated that our one real problem that needs to be solved is death. How has this problem been solved? How does this change how we live our daily lives?
