

## **WEEK 2: I AM THE LIGHT OF THE WORLD**

### ***John 8:12-20***

1. JESUS GUIDES US OUT OF OUR OLD LIVES
2. JESUS GUIDES US INTO NEW LIFE
3. JESUS GUIDES US HOME TO THE FATHER

### **DISCUSSION QUESTIONS**

1. What part of the teaching stood out most to you? Why?
2. Do you remember what it was like to “walk in darkness” before you knew Jesus? Can you describe it? How did Jesus guide you out of that darkness?
3. Is there a dark area in your life robbing you of joy? Would you be willing to talk about it? How can we help you overcome this dark area and help you into the light?
4. Most, if not all, major belief systems acknowledge that mankind is dealing with darkness. However, the solutions that other belief systems offer for this darkness are different than what is offered by Jesus. What is the difference between what Jesus offers as our solution and what other belief systems offer?
5. One of the points from this week’s teaching was that “Jesus Guides Us Into New Life”. Have you ever felt like Christianity is just a list of things you aren’t supposed to do? How is this idea challenged by Jesus’ statement that if we follow Him we will “have the light of life”?
