DISCUSSION QUESTIONS

1. What part of the teaching stood out most to you? Why?
2. **ICEBREAKER:** This week's teaching focused on the idea of a promise. Describe a time when someone made a promise to you. Did they keep that promise or break it? Why do you think we put such a high value on promises?
3. Mark's first idea this week was that "God Keeps His Promises." Before your small group meeting, look up and think about some of God's promises. Is there any particular promise that stands out to you? Which promises are hard for you to believe?
4. When looking at God's promises how can we know which ones apply to us and which ones were only directed to a specific person or people group?
5. The second idea this week was that "God's Promise is Jesus". Why do you think that most Jews didn't realize that Jesus was the promised savior they were waiting for? Has God ever surprised you with the way He has worked things out in your life?
6. Have you ever felt like God doesn't keep his promises? What led to you feeling that way?
7. Mark mentioned how it is amazing that God has decided to work through people like Abraham, David, Daniel and Paul. How are these people different than me and you? How are they the same? Do you believe that God can work through you? Why or why not?
