

EASTER WEEKEND 2019

MATTHEW 27-28

1. JESUS CAME TO TAKE OUR PLACE
2. JESUS CAME TO BE AVAILABLE TO US
3. JESUS CAME TO TRANSFORM US

DISCUSSION QUESTIONS

1. What impacted you the most from the Easter Weekend services?
2. If you were baptized this weekend, what was it like? If you were watching the baptisms how did it impact you?
3. Did anybody's testimony board stand out to you? Why do you think it is such a powerful thing to see someone's testimony?
4. On Good Friday, Aaron spoke about the thief on the cross next to Jesus and how Jesus changed his destiny. What stands out to you about Jesus' interaction with the thief next to Him? What does it show you about Jesus?
5. This Sunday we heard about how Jesus came to take our place. He didn't just come to be an example He came to be our substitute. What is so different about this message than the message of other religions? Do you ever find it difficult to actually live like Jesus has taken your place?
6. The second idea on Easter was that Jesus came to be available to us. The stone was rolled away from the tomb not so that Jesus could get out but so that we could get in. Do you feel like God is available to you or do you feel like He is hard to access? Why?
7. We just saw 40 people get baptized! Spend some time celebrating together, praying together and praising God for what He has done and asking that He would continue to transform lives.
